Relax and enjoy this completely remodeled "Turn Of The Century" Victorian with panoramic views of the southern basin overlooking the community beach and assigned docking system. This beautiful, elegant and charming home boasts its own elevator, state of the art kitchen, three wonderfully decorated floors of gracious living and level terrain for backyard barbecues, and front porch siting. The 10 - 12 foot ceilings give an open, airy and majestic feeling. This property is almost lakefront as there is nothing between the house and the lake except beach and docks - A MUST SEE!!!
